

Notice of Modification

Section 75W of the *Environmental Planning and Assessment Act 1979*

As delegate of the Minister for Planning and Infrastructure under delegation dated 14 September 2011, the Planning Assessment Commission (the Commission) modifies the development consent referred to in Schedule 1, as set out in Schedule 2.

Gabrielle Kibble AO
Chair of the Commission

Sydney

14 February 2013

SCHEDULE 1

Development consent DA 97/800 granted by the Minister for Urban Affairs and Planning on 14 October 1998 for extension of underground mining activities at the Cooranbong Colliery, establishment of the Mine Access Site, modification to the Coal Preparation and Transportation System and establishment of a Coarse Reject Emplacement Area.

SCHEDULE 2

1. Delete the text of Condition 1A, excluding the 'note', and replace with the following:
 - 1A. The Applicant shall not:
 - (a) extract more than 6 million tonnes of ROM coal a calendar year from the site;
 - (b) transport more than 4 million tonnes of coal a calendar year from the Cooranbong Entry Site for delivery either to Eraring Power Station by overland conveyor or to Newstan Colliery by private haul road.
