Dear Mr Watkins

I refer to the Operational Environmental Management Plan (OEMP) which was submitted in accordance with Condition B1 of Schedule 2 of the consent for the Glebe Island Silos Temporary Capacity Increase (DA 9967).

The Department has carefully reviewed the document and is satisfied the OEMP addresses the requirements of Condition B1 of Schedule 2 of the consent.

Accordingly, the Planning Secretary has approved the OEMP prepared by Cement Australia Pty Ltd, dated 19 February 2020, version 2. Please ensure that the approved plan is placed on the project website at the earliest convenience.
