Dear Mr Kasby

The exhibition of the Environmental Impact Statement for the Bowmans Creek Wind Farm ended on 11 May 2021.

The Department received submissions on the project, including 142 from the general public. Advice has been received from 16 government agencies. The Department notes that additional submissions are expected from Department's Water Division and the Biodiversity Conservation and Science Directorate.

The submissions received by the Department during the exhibition of the proposal are available on the Department's website at: <https://www.planningportal.nsw.gov.au/major-projects/project/11691>.

The Department requires that you provide a response to the full range of matters and recommendations raised in all submissions.

In this regard, once you have had a chance to review the submissions, the Department would like to meet with you to discuss the issues raised and the timing of your proposed response.

The Department considers this meeting should occur by **mid June** and I would appreciate if you would contact Anthony Ko at the Department to arrange the meeting. Mr Ko can be contacted on 02 8217 2022 or at [anthony.ko@planning.nsw.gov.au](mailto:anthony.ko@planning.nsw.gov.au).
