Subject: Response to Submissions - Clarence Coal-Mod-11 (DA504-00-Mod-11)

Dear Mr Bush

The exhibition of the modification report for the Clarence Coal-Mod-11 (DA504-00-Mod-11) ended on 19 February 2026. We have placed all submissions on the NSW Planning Portal at www.planningportal.nsw.gov.au/major-projects/projects. We now require a written response to issues raised in the submissions, as required under section 59(2) of the Environmental Planning and Assessment Regulation 2021.

The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines including Appendix C - Preparing a Submissions Report*. We also require a response to the issues raised by agencies in their advice. This response should be incorporated into the submissions report.

The department also received feedback from the community outside of the exhibition process. Please address this feedback in the submissions report. Please lodge your submissions report by 27 March 2026 via the NSW Planning Portal <https://majorprojects.planningportal.nsw.gov.au/>.

If you have any questions, please contact Gabriel Wardenburg, on 02 9585 6810 or via email at gabriel.wardenburg@dpie.nsw.gov.au.

Yours sincerely,
