SUBMISSION FOR SUPPORT

We think it will benefit the town with employment.

We would like to see the town return to what it used to be, with a butcher, sports club, a bakery, a bank and thriving school.

The community enhancement fund is good and fair fund for everyone associated with it.

There will be people that are impacted by construction however, with the community enhancement it will offset that impact.

I realise that things don't stay the same, but ~~the~~ things will change.
