My late husband Frank & I moved into this village 19 years ago and have been very happy here enjoying the lovely bush surrounding us and being cared for by lovely friendly staff. The thought of having major building works being close to me now that I am on my own as I sadly lost Frank almost 5 years ago. The disruption, noise and dust and probable inconvenience of delays etc just moving around the village living a normal day to day life seems questionable? Certainly not pleased about that!! No consideration for the residents who like me moved into the village to live out our lives in peaceful ambience as it is now. It has the potential of not being able to leave my residence without difficulty every time and when at home being choked with dust and having to put up with building noise continually.

I object to the proposal wholeheartedly
