1. I came to this Village to enjoy the Low Key concept in beautiful natural surroundings until I pass away in possibly one of the Nursing Homes. This is now unlikely to happen. I have lived in High Rise and found it very lonely and sterile.
2. The size and scale is unrealistic for suburban Collaroy Plateau, although
3. Traffic is already congested in Veterans Parade and Laetona Avenue.
4. Parking is and will be a huge problem for 10-15 years.
5. Pedestrian safety for people with walkers and scooters
6. Solar Access and shadowing from High Rise - no sun - very cold and dark.
7. Wind Tunnels (see Dee Why Square) will affect use of Amenities eg Boudoir and Café.
(See attached Sheet)

8. Massive water run off causing flooding.
+ pollution to Narrabeen Lagoon,

(This is already happening where we
live in the Dardanelles. Our ~~units~~^{units}
back on to a creek which is rapidly
silted up in the Riparian zone and
is reaching the foundations of our building)
(This is going directly into Narrabeen Lagoon.)
Northern Beaches Council seem unable to help fix this.)

9. Increase in Population Density is already
putting pressure on local Augusta shops re
parking problems.

10. Movement within the Village is not easy. ~~no~~
and reliance on Village buses to take
residents to the supposed HUBS will be
costly ~~and~~ and unrealistic!!

11. We now have pressure on us re Budgeting.
How do we know ^{if} RSL Litcare will put
more financial burdens on Residents
with such an expensive Project.

All costs have recently increased. Bisto prices
have gone up etc. (\$6 per Cappuccino)

12. The staff turnover is appalling.
We have been here 14 yrs.

- Never enough Nursing Staff / gardeners /
- Maintenance workers / Bisto staff.

etc etc etc
