I am objecting To This project because Health, Noise or complete disturbance When I signed my contract with R.S.L I was led To believe I was signing To live in a Village. Quiet lifestyle with care which it is now I have been here really 8 years with my husband who passed away in 2020 Since then we have lost many nursing home reducing the care we were led To believe would not happen. With this new project There will not be enough beds needed. Plus The disturbance will be horrible as I have had with 2 houses for 12 months Total Trees are To be cut down, dust and disturbances for years To come
