- FIRE HAZARD. Having been a resident now for 13 years, we have experienced fire hazards and should more buildings and people be added, a greater danger will exist, necessitating major evacuation operations.
- LOSS OF BUSHLAND and TREES. Must not be jeopardised – once lost – it can never be recovered.
- NOISE, DIRT and DUST. I moved here to enjoy a clean, quiet and healthy environment. To subject us now to consequential noise, dirt and dust will result in our needing medical and or hospital care. Presently with various new units/houses being erected here in this village; I am aware of 2 friends experiencing noise, dirt and dust for many weeks resulting in their being unsettled, distressed and anxious.
