Dear Mr Ellerton

We now require a written response to issues raised in the submissions, as required under section 59(2) of the Environmental Planning and Assessment Regulation 2021. We also require a response to the issues raised by agencies in their advice. This response should be incorporated into the submissions report.

The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines including Appendix C - Preparing a Submissions Report*. Please lodge your submissions report via the NSW Planning Portal <https://majorprojects.planningportal.nsw.gov.au/>.
