Dear Ms Honeysett

**Wallerawang Quarry Project (DA344-11-2001 MOD 3)
Response to Submissions**

Public exhibition of the Statement of Environmental Effects for the modification application or the Wallerawang Quarry Project concluded on 16 August 2019. The Department has received five submissions from Government agencies. Additionally, one community submission was received.

The submission and agency advice are available on the Department's website at <https://www.planningportal.nsw.gov.au/major-projects/project/14751>.

The Secretary requests that you prepare a response to submissions report to be submitted to the Department at your earliest convenience. Please note that the Department is awaiting advice from Roads and Maritime Services and once received, it will be forwarded to you for your consideration.

The Department draws your attention to the advice of the Biodiversity and Conservation Division and the Environment Protection Authority. Please address all raised issues carefully and comprehensively in your response.

If you have any questions, please contact Anthony Barnes on 8289 6709 or via email at anthony.barnes@planning.nsw.gov.au.

Yours sincerely
