**RE: Proposed Energy from Waste Facility – Application No. SSD 6236
Review of the EIS**

I refer to the development application by The Next Generation NSW Pty Ltd for the proposed energy from waste facility at Eastern Creek. Please find attached a preliminary draft review of the EIS and supporting documentation prepared by GHD on behalf of Australand.

Australand requests that the applicant consider and suitably address the comments provided in the attached review and that the applicant's response to these comments be further considered by your Department and the determining authority is assessing and determining this project.

If you have any questions on this submission, please contact me on telephone number 0419 206827.

Yours Sincerely,

Michael Robinson
