Mr M Young  
Director of Resource Assessments  
NSW Department of Planning and Environment  
Sydney NSW 2000

Dear Mr Young

Upper Lachlan Shire Council, at the Extraordinary Meeting held Monday 10 April 2017, resolved as follows:

**74/17**      **RESOLVED** by Clr Searl and Clr O'Brien that

"Council, in response to the NSW Department of Planning's invitation to provide submissions on AGL's application for a two year extension to their approval to construct a gas fired power station at Dalton, submit an objection to such an extension on behalf of the residents in the nearby communities of Dalton and Gunning."

It is therefore advised that Upper Lachlan Shire Council objects to the request by AGL for a two year extension to their approval to construct a gas fired power station at Dalton, noting the continued adverse psychological, social and economic impacts that any extension of time continues to have on the communities of Dalton and Gunning.

Yours faithfully

JK Bell  
General Manager
