**Stadium Australia Redevelopment (SSD 10342)**

Dear Andy

I confirm that the applicant presented this project to SOPA's Design Review Panel (DRP) on 9 December 2019. SOPA will provide a copy of DRP minutes to the Department upon their finalisation.

As the Panel was generally supportive of the design development undertaken since the original DRP meeting on 3 September, SOPA sees no reason to delay the applicant's Response to Submission in the interim.

Should you wish to discuss this correspondence further, please contact me on (02) 9714 7139.

Yours sincerely,

Dylan Sargent
