Dea	ar Director,
Sta	JECTION te Significant Development Application No: SSD-10300 fs Harbour Cultural and Civic Space
l ol	pject to the Development Application and request that a Public Hearing be held.
	e reasons for my objection are as follows: The original public proposal included Performing Arts space and <u>did not</u> include Council offices.
2.	There has been no meaningful community engagement for the inclusion of Council Chambers.
3.	Council has restricted its invited consultation to special interest groups.
4.	14,768 residents have signed a community petition calling the project to be suspended, which has been ignored by Council.
