Dear Ms Jones

RE: HERITAGE DIVISION COMMENTS ON EXHIBITION OF QUEENSLAND-HUNTER GAS PIPELINE MOD 1 (CSSI 0286)

I refer to your letter received on 2 November 2018 inviting comments on the above Critical State Significant Infrastructure modification.

The proposed modification is for an extension of the existing five-year time limit for the project approval.

I understand that no additional works or changes to the approved development are proposed as part of this modification.

As the proposed modification will not have any further heritage impacts than those identified in the original application the Heritage Council has no further comments to provide on this modification. Thank you for providing this opportunity to comment.

If you have any questions regarding the above advice, please contact Gary Estcourt, Senior Heritage Officer, at the Heritage Division on (02) 9895 6409 or at gary.estcourt@environment.nsw.gov.au.

Yours sincerely
