Dear Mr. Middlemiss

**RE: Department of Planning, Industry and Environment's response to submissions regarding  
SSD-9809, Marsden Park Primary School - Lot 2889 in DP1230906.**

I refer to the above response dated 28 November 2019 and subsequent meeting with Blacktown City Council on 21 January 2020, requesting the Department of Education (The Department) clarify whether the part of Lot 2889 adjoining Marsden park Public School and identified as 'alternative use' will be subdivided.

The Department reviews its land use requirements on an ongoing basis; however, I can confirm there is no current plan to subdivide this land.

Should you require further information regarding this matter, please contact Jeremy Stott via email on [Jeremy.stott4@det.nsw.edu.au](mailto:Jeremy.stott4@det.nsw.edu.au) or phone 0409 879 783.
