Dear Sir

As an owner of land at Rivafark
Sarcrox, Port Macquarie, I am writing to
express my opposition to the Sarcrox Quarry
Expansion Project SSD. 9946. The proposed
pit would be devastating to the environment
of the estates residential properties. On
every level this quarry can not proceed. We
have to take into account the proposed high
speed rail corridor and the highly sensitive
Endangered Biological Community Corridor
including Koala Habitat. All very disturbing
for the owners of the Le Clos Sarcrox Estate
which have waited more than 20 years
in most cases for approval of our
subdivision. I urge you with the utmost
urgency to oppose this new quarry.

I remain yours sincerely
JR Well.
