Hi Joel,

TfNSW has reviewed the documents and notes the intersection of Wisemans Ferry Road/Haerses Road is being upgraded to 'CHR' treatment by proponent as per the conditions of consent for modification 1 of the Haerses Road Quarry.

TfNSW raises no objection to the proposed modification 3 at Haerses Road Quarry including increase in the daily truck movements to/from the site subject to the following condition:

- The proponent should monitor the trucks queue within the right turn bay on Wisemans Ferry Road, and should there be queueing out of the right turn bay onto Wisemans Ferry Road through lane, the right turn bay is to be extended by proponent at no cost to TfNSW.

Please contact me or Development Sydney at Development.Sydney@rms.nsw.gov.au if you have any question.

Regards
