Dear Minister

I support Coal & Allied's Warkworth Modification application to gain access to an additional 350m of land owned by the mine, to avoid a significant drop in production and employment.

MTW has been a valued customer for over 30 years. Our business employees over 20 workers and I feel we would be affected if the mine doesn't receive the approval.

On a personal view I have family and friends currently employed at MTW or working for mine support companies.

I believe the approval is vital for MTW to me a major employer to many families and business's in the Hunter Valley.

Regards
