Dear Sir or Madam

**NEW HIGH SCHOOL IN BUNGENDORE
APPLICATION NO. SSD-14394209**

I refer to the above state-significant development application.

I **object** to the proposal, for the following reason(s):

- *The lack of room to expand in future years, as Bungendore is a rapidly growing community.*
- *The availability of more appropriate sites not in flood zones and with room for expansion.*
- *The demolition of a swimming pool that people in this community spent decades raising money for currently located appropriately in the town park.*
- *Safety concerns for teenagers, attending a school bordering a railway.*
- *The increased risks to the safety of pre-school and primary children to and from school with young inexperienced drivers from the high school driving in the area.*
- *Loss of a green space in the town centre, currently available to be used by all of the community and visitors any time of day.*
- *The loss of historical significance to the town and surrounding areas.*
- *The design of the building proposed.*
- *That no consultation with the public took place prior to the announcement made by our NSW state local member. If announcements were made they were obscure and not common knowledge to the local residents this proposal will affect.*

I have not, and no associate of mine, has made any political donation to any person in the 2 years preceding this submission.

Yours faithfully,

Helene & Ian Henderson
