Dear Mr Muscat

**Padstow Resource Recovery Facility (SSD-10450)
Response to Submissions**

I refer to the Response to Submissions (RTS) report submitted for the Padstow Resource Recovery Facility (SSD-10450). The Department is requesting you provide additional information before accepting the RTS.

You are requested to revise the scope of the RTS report to focus on the impact of the proposed development on its own. The RTS must include:

- a revised Air Quality Impact Assessment that includes scenarios and mitigation measures for the proposed development only
- a Noise Assessment which distinguishes between existing and proposed operations and provides the noise contribution of the proposed development
- a Vibration Assessment for the proposed development only.

Please provide a revised RTS to the Department that includes the additional information by Wednesday 7 April 2022.

If you have any questions, please contact Emma Barnet on 92746412/ at emma.barnet@planning.nsw.gov.au.

Yours sincerely
