| Given the opportunities provided by               |
| ultra coal mines it would be highly               |
| beneficial for the operation to go through.       |
| Benefits would include an increase                |
| in employment and education opportunities         |
| as well as locals <sup>not</sup> having to travel |
| long distances to seek employment.                |
