or ☐ Comment only

Reason / Comment:

I believe this mining project has many benefits from local to the wider NSW state. These include employment, economic growth to area, infrastructure upgrades required, all of which will help the community and I give many small local businesses additional work and opportunities in to the future. As a small investor, of a very ~~time~~^{long} period I look forward to this great opportunities for all stake holder. It has my full support.

☐ I have ☒ have not made any political donations in the last two years. (If yes, please disclose).
