Reason / Comment:

As Covid 19 has highlighted our reliance on overseas goods. I support this application for a number of reasons. firstly, it creates jobs and wealth within Australia. Secondly

It will reduce our reliance on overseas markets. Setting the price of semi precious Metals ergo if SVL is a larger player in the market it will have more say.

Thirdly

As a shareholder and Pensioner I stand to make money on my investments in SVL

I have

have not

made any political donations in the last two years. (If yes, please disclose).
