Reason / Comment:

We need to produce in this country  
The country / states are going broke  
We need jobs.  
My son is fitter turner, mine exp.  
yet no work in Victoria. All the  
states need to realise, something  
has to pay for welfare  
Plus Silver price is surely going  
to go up dramatically if you  
follow the going on on the comex & LBM.  
Silver is going to be very sort after.

made any political donations in the last two years. (If yes, please disclose).

And would be nice if our country actually  
learnt to manufacture something with  
the silver. Like <sup>high quality</sup> batteries  
like USA  
Military use  
better than lithium
