Reason / Comment:

I have been a shareholder of Silver Mines Ltd for several years and as long as I can remember, SML have been committed to environmental protection throughout their progress to current stage.
Save and except for reasons detrimental to environment caused by SML, I strongly support their project that can generate revenue and works for local. More so in the current Covid-19 situation that has impact Australia's economy. With current strong commodity prices, my hope SML will help in uplifting local and national economy.
