AS A previous employee of Kingsgate  
Boulders I would love to see the mine go  
ahead after all the years and all the testing  
and man hours put into getting the mine up  
and running it would be amazing to finally  
see the results of all the long hours.

The community needs & would welcome  
the chance to have employment available  
so close to their places of community including  
Lylstone & Kandos and what a wonderful  
opportunity for the young ones to gain employment and  
be able to remain in their local towns.
