Reason / Comment:

- \* Bowdens silver mine will secure and create job opportunities for the region.
- \* Physical silver market has been in deficit for six out of the past ten years.
- \* Bowdens silver mine will substantially increase Australia's inventory of the metal where it is heavily relied upon for photovoltaic panels, hybrid technologies, battery storage and electrical componentry.
- \* Silver also exhibits antibacterial properties which the health care sector is doing more with.
- \* Silver also has a place in many military applications.
