Reason / Comment:

I am a shareholder in SVE - I have been involved in metaliferrous mining for many yrs. It seems many Silver mines never really became successful for whatever reason it would be good for the industry, the country and the local community & businesses if this mine is approved. The Carrington Silver Mine in QLD is getting towards the end of its life and we need a replacement. Silver has a long and celebrated history becoming part of the future by learning from the past.

☐ I have ☒ have not made any political donations in the last two years. (If yes, please disclose).
