Reason / Comment:

AFTER TALKING WITH THE LOCAL TEAM AND
STUDYING THE ENVIRONMENTAL IMPACT STUDY, I
Believe Bowdens can operate this mine without
any negative effects on the local's health or cause
any long term damage to the environment. It is
commendable that they will be repurposing waste
water from the Mining Complexes at Ulan, so as
not to detract unnecessarily from local groundwater.
Along with the Standard of Rehabilitation proposed
I see no reason why this Project should
not go ahead.
