My objection to the Bowdens Silver Mine Project.
I am objecting to Bowdens Mine Silver Project as I believe it will have a very MAJOR impact on mine and my better way of live and health. I live in the Village of Lue and the mine is approximately 1.9 km from us. I believe it is not going to be just a silver mine as indicated the majority of what is going to be extracted is LEAD + ZINC with a very small percentage of SILVER this is going to affect our lives greatly as we are only on tank water and what we can get out of Lawson creek. It will be detrimental to our health and way of life. We will not be able to use our tank water for DRINKING and as for the creek water what little there is will not be suitable for our vegetables. As for the noise pollution we are a very quiet Village and to have something running 24/7 is unacceptable. I believe that having a mine such as this one so close to our community is totally unacceptable and it should not be located in this area.

THANK YOU.
