Lue.

1. Who will want to buy my house.
2. Who pays for water, when my bore runs dry, which it will. There's only so much ground water available.
3. Who will do medical checks on myself and my grandchildren to keep us safe.
4. The dust will be terrible, due to truck traffic.
5. The noise level will be unbearable. We live in a village to get away from noise levels. Our quiet solitude will be a thing of the past.
6. Night time is when noise carries. Any noise! How do we manage to get sleep. Are the mine going to pay for noise proofing our houses.
7. I've lived in Lue for 40 yrs, and have never seen such a disruption to divide the village.
8. Other towns have died, thanks to mining.

Q. Does anyone really believe that the mine is trying to be a conciliatory company. No. They are only interested in their share holders, and not the damage they are going to do to our village.
