Application – Bowdens Silver Mine

I object to the BOWDENS SILVER MINE proposal.

I live on the Hayes Gap Road, near the pipeline route.

The pipeline will go along the Hayes Gap Road where I live and will contain waste water from Ulan. If the pipeline fails the land around my property will be contaminated.

You can't approve this mine.

It is going to destroy the wild life.

We have platypus in Lawsons Creek and if the dam breaks from rain or earthquake it will destroy them and will eventually seep into Mudgee's drinking water.

Mid Western Regional Council should be a bit more vigilant and stop this mine.

What about the towns, Lue and Mudgee, and the people who live here for a mere 17 years.

What about the kids. Lead is poisonous and is especially poisonous to children. The lead in Lue is 3 times more poisonous than the lead from Mt Isa.

Your joking

YOU CANT DO THIS MINE.

IT IS GOING TO DESTROY THE WILD LIFE.

WE HAVE PLATAPUSS IN LAWSON CREEK.

~~WHAT ABOUT~~ IF THE DAM BREAKS FROM RAIN

IT WILL DESTROY THEM. & EVENTUALLY
SEEP INTO MUDCREES DRINKING WATER
WHICH IS ALL BORE WATER

COUNCIL SHOULD BE A BIT MORE

VIGILANT & STOP THIS MINE

WHAT ABOUT THE TOWNS & PEOPLE WHO
