Mid-Western Regional Council

OUR BEAUTIFUL REGION IS MADE UP OF FOUR VIBRANT TOWN CENTRES IN GULGONG, KANDOS, MUDGEES AND RYLSTONE, AS WELL AS MANY UNIQUE RURAL VILLAGES.

Tourism is a vital part of our local economy. Mid-Western Regional Council works closely with the local tourism industry to ensure you'll have an enjoyable experience that'll see you planning your return trip.

More than 25,000 people call the Mid-Western Region home, including many 'tree changers' who have traded city life for the joys of country living. Our culture is diverse and active, with a strong metropolitan flavour.

We are blessed with outstanding tourist delights, from picturesque scenery, fine wine and locally grown produce to entice food lovers, or if it's action you're after we host national and international sporting spectacles at the Glen Willow Regional Sports Complex.

Glen Willow will be home to the Charity Shield clash in 2020 and 2021. The annual match against the South Sydney Rabbitohs and St George Illawarra Dragons is regarded as the unofficial start to the National Rugby League Season. Keep in touch with Council's social media channels for game dates. Bring the family along to enjoy a game, and while you're here make sure you visit the new Mudgee Water Park, the latest addition to a suite of family activities.

During your visit call into Gulgong and step back in time to the site of gold discovery or let your children's imaginations run wild at the Gulgong Adventure Playground. Head over to Rylstone for a scenic drive or bushwalk and while you're there have a bite to eat at one of many quaint restaurants. From there it's only a short drive to Kandos, a town with an eclectic history and the gateway to the wonderland of Wollemi National Park.

There are so many reasons to visit and many major events to delight including Council's extremely popular Flavours of Mudgee street festival in September. We're always working on something to give you another reason to come back.

People are choosing the Mudgee Region more and more to live, work, invest and visit. Discover for yourself our Region's rich history and natural beauty, and enjoy our famous hospitality.

Council offices in Mudgee, Gulgong and Rylstone, open weekdays from 8am to 4.30pm.
