### Bowdens Silver

Application Number: SSD-5765

☒ Support

☐ Object

or ☐ Comment only

Reason / Comment:

There is currently a strong demand for the supply of silver in the world to make solar panels. The use of solar panels to produce solar energy is crucial in the fight against global warming. According to the 2019 World Silver Survey, the entirety of World silver mining production is used by industrial demand annually, including for the manufacture of solar panels. Australia can strongly contribute through the Bowdens Silver Project.
