Subject: Upper South Creek Kemp's Creek pumping station pipeline proposal

Date: Wednesday, 17 November 2021 8:49:41 PM

Nathan Heath
Planning NSW

Dear Nathan

Thank you for our follow up conversation for a week's extension to help Mulgoie aka Mulgaway aka Mulgoa elders and Gundangurrah and my father draft submissions re: the Sydney Water Upper South Creek, proposed pipeline.

My detailed submission will follow.

I will include the *Diuris pedunculata* ss RBr ground or terrestrial donkey orchid

Mulgoie aka Mulgaway aka Mulgoa elders Ngurah or ora

Gundangurrah referrals, other than known, "registered" organisations, which might be influenced by others, "not of country" ie have no allodial title authority to, "speak for country".

I remain very concerned about the apparent lack of established cross-cultural awareness, protocols, competencies.

Sincerely
