No Comment to Planning Advice Request

Dear Mr Dodds

Thank you for your request for advice from Public Authority Consultation (PAE-32135731), requesting input from the NSW Environment Protection Authority (EPA) on the Environmental Impact Statement (EIS) for the proposed redevelopment of Newcastle Grammar School, Park Campus (SSD-13895306) at 127 Union Street, Cooks Hill.

The EPA has previously stated on 10 February 2021 that the EPA has no comments to make on the proposal and no follow up consultation is required.

Based on the information provided, the proposal does not appear to require an environment protection licence under the *Protection of the Environment Operations Act 1997*.

The EPA does not require any follow-up consultation. City of Newcastle Council should be consulted in relation to this proposal.

If you have any questions about this request, please contact Environment Line on 131 555 and quote the above reference number.

Yours sincerely
