Subject: SSD 6882

Good Morning Thomas,

I refer to our telephone conversation earlier this morning regarding the ProTen Poultry Production Complex at Euroley (Narrandera Shire Council).

This is to confirm that Council received the notification from the Department and that no response was provided, as it was deemed that the proposed development would not have any significant environmental impact on the Griffith Local Government Area.

Should you require any further information please feel free to contact me on the number below.

Regards

Steven Parisotto
