Dear Mr Hawkins

**Wallerawang Battery Energy Storage System (SSD-14540514)
Response to Submissions**

The exhibition of the Environmental Impact Statement for the Wallerawang Battery Energy Storage System concluded on 8 March 2022.

The Department received nine submissions from the general public on the project and received advice from twelve government agencies. The Department notes that advice from Transport for NSW is still outstanding and will be forwarded to you once received. All submissions received by the Department during the exhibition can be viewed on the Department's website at www.planningportal.nsw.gov.au/major-projects/projects/wallerawang-battery-energy-storage-system

You are requested to prepare a written response to the full range of matters and recommendations raised in the agency and Council advice by **Thursday 7 April 2022**. The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines (2021)*. The *Preparing a submissions report guideline* forms part of the SSD Guideline (Appendix C).

Please lodge your response by progressing the application on the major projects planning portal <https://majorprojects.planningportal.nsw.gov.au/>.

If you have any questions, please contact Andy Nixey, who can be contacted on 9274 6379 or at andy.nixey@planning.nsw.gov.au.

Yours sincerely
