Submissions register

Table A.1 Submissions register

Submitter type	Classification	Name Withheld	First Name	Last Name	Category 1	Category 2	Category 3	Section reference
Public	Object	No	Carmen	Gowans	The project	Siting		6.1.1
					Economic environmental and social impacts of the project	Water	Drinking water catchment	6.3.3
					Economic environmental and social impacts of the project	Traffic transport and access	Capacity of existing road network	6.3.1
					Justification and evaluation of the project as a whole	The proponent		6.4.2
					The project	Site activities and operations		6.1.3
					Procedural matters	Level or quality of engagement		6.2.1
					Economic environmental and social impacts of the project	Traffic transport and access	Truck queuing	6.3.1
					Economic environmental and social impacts of the project	Noise and Vibration	Traffic	6.3.4
Public	Object	No	Duncan	Wood	Procedural matters	Land use and zoning		6.2.2
					Procedural matters	Level or quality of engagement		6.2.1
					The project	Siting		6.1.1
Public	Object	No	Rigmor	Benson	Economic environmental and social impacts of the project	Air quality and odour	Emissions	6.3.2
					Economic environmental and social impacts of the project	Traffic transport and access	Road safety	6.3.1
					Economic environmental and social impacts of the project	Air quality and odour	Emissions	6.3.2
					Economic environmental and social impacts of the project	Human health		6.3.7
					Economic environmental and social impacts of the project	Noise and Vibration	Traffic	6.3.4

Submitter type	Classification	Name Withheld	First Name	Last Name	Category 1	Category 2	Category 3	Section reference
Public	Object	No	Duncan	Wood	The project	Timing	Access road	6.1.4
					The project	Site layout and design	Access road design	6.1.2
Public	Object	No	Richard	Robinson	The project	Siting		6.1.1
					Economic environmental and social impacts of the project	Water	Contamination of water quality	6.3.3
					Economic environmental and social impacts of the project	Biodiversity		6.3.9
					Economic environmental and social impacts of the project	Noise and Vibration		6.3.4
					Economic environmental and social impacts of the project	Traffic transport and access	Capacity of existing road network	6.3.1
Public	Object	No	Heather	Moore	Economic environmental and social impacts of the project	Traffic transport and access	Capacity of existing road network	6.3.1
					The project	Siting		6.1.1
					Economic environmental and social impacts of the project	Air quality and odour	Emissions	6.3.2
					Economic environmental and social impacts of the project	Noise and Vibration		6.3.4
Public	Object	No	Stella	Russell	Procedural matters	Level or quality of engagement		6.2.1
					Economic environmental and social impacts of the project	Air quality and odour	Emissions	6.3.2
					Economic environmental and social impacts of the project	Traffic transport and access	Capacity of existing road network	6.3.1
					Economic environmental and social impacts of the project	Noise and Vibration	Traffic	6.3.4
Public	Object	Yes	Withheld	Withheld	The project	Siting		6.1.1
					Economic environmental and social impacts of the project	Traffic transport and access	Capacity of existing road network	6.3.1
Public	Object	Yes	Withheld	Withheld	Economic environmental and social impacts of the project	Human health		6.3.7

Submitter type	Classification	Name Withheld	First Name	Last Name	Category 1	Category 2	Category 3	Section reference
					Economic environmental and social impacts of the project	Water	Contamination of water quality	6.3.3
					Economic environmental and social impacts of the project	Noise and Vibration		6.3.4
					Economic environmental and social impacts of the project	Socio economic	Property value	6.3.6
					Economic environmental and social impacts of the project	Traffic transport and access	Road safety	6.3.1
Public	Object	No	Jennifer	Blinkhorn	Economic environmental and social impacts of the project	Traffic transport and access	Capacity of existing road network	6.3.1
					Economic environmental and social impacts of the project	Water	Contamination of water quality	6.3.3
					The project	Siting		6.1.1
Public	Object	Yes	Withheld	Withheld	Economic environmental and social impacts of the project	Visual		6.3.5
					Justification and evaluation of the project as a whole	The proponent		6.4.2
					Economic environmental and social impacts of the project	Socio economic	Employment	6.3.6
					Economic environmental and social impacts of the project	Traffic transport and access	Road safety	6.3.1
					Economic environmental and social impacts of the project	Air quality and odour	Emissions	6.3.2
					Economic environmental and social impacts of the project	Noise and Vibration		6.3.4
