The exhibition of the above modification application concluded on 8 March 2022.

No submissions were received from members of the public or special interest groups. However, the Department has received advice from two government agencies and is expecting advice from additional agencies in due course.

The advice received is available on the Department's website at <https://www.planningportal.nsw.gov.au/major-projects/projects/mod-8-tritton-budgerygar-underground-extension>, and the Department will advise you when the outstanding advice is made available.
