Dear Mr Roebben

**Great Western Battery Energy Storage System (SSD 12346552)  
Response to Submissions**

The exhibition of the Environmental Impact Statement for the Great Western Battery Energy Storage System concluded on 4 April 2022.

The Department received two submissions from the general public on the project and received advice from sixteen government agencies including Council. All submissions received by the Department during the exhibition can be viewed on the Department's website at <https://www.planningportal.nsw.gov.au/major-projects/projects/great-western-battery-energy-storage-system>.

You are requested to prepare a written response to the issues raised in submissions and the matters and recommendations raised in the agency and Council advice by **Monday 20 June 2022**. The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines (2021)*. The *Preparing a submissions report guideline* forms part of the SSD Guideline (Appendix C).

Please lodge your response by progressing the application on the major projects planning portal <https://majorprojects.planningportal.nsw.gov.au/>.

If you have any questions, please contact Javier Canon, who can be contacted on (02) 9373 2821 or at [Javier.Canon@planning.nsw.gov.au](mailto:Javier.Canon@planning.nsw.gov.au).

Yours sincerely

A handwritten signature in blue ink, appearing to be 'Nicole Brewer', with a horizontal line extending to the right.

Nicole Brewer  
Director  
Energy Assessments

**as delegate for the Planning Secretary**
