Have you made a reportable political donation? YES ☐ NO ☒

Would you like to request your name be withheld? YES ☒ NO ☐

What is your view on the project? Please circle your option below.

I object to the project ☒ I'm providing comments ☐ I support the project ☐

Your Comments

There are 2 points in this proposal that I really do not approve of -

1. The proposed mine has an unreliable water supply.

2. Lawson Creek has already been identified in the NSW Stressed River Assessment, to be one at a seriously stressed category already so this mine will only increase that stress
