What is your view on the project? Please circle your option below.

I object to the project ☒

I'm providing comments ☐

I support the project ☐

Your Comments

This silver project, as a lead project,
I strongly object to.

It is dangerous, unsafe + too risky to
human health + the environment. We
only need to look at other places in the
world where this has occurred.

anakin aus

To assume ^{that} having water strategies in
place in a drought affected region
is absurd.
