☒ I do not support

I have made a political donation in the past 2 years Yes / ~~No~~

I request that my name be withheld from publication Yes / ~~No~~

Comments:

- I object to the proposed Wind Farm;
- I came to Kentucky 22 yrs ago because I have hearing problems and tinnitus and concerned about the infrasound effects.
 - I have (seen) heard about the effects the sounds produced by these Turbines can have on people.
