**Subject: Walla Walla Solar Farm Modification 2 (SSD-9874-Mod-2)  
Response to Submissions**

Dear Mr Beckett

The exhibition of the Modification Report for Walla Walla Solar Farm Modification 2 concluded on 16 May 2022.

The Department received 33 submissions from the general public on the project and received advice from five government agencies. The Department notes that advice from Greater Hume Council, the Biodiversity and Conservation Division of the Department and DPIE Water are still outstanding and will be forwarded to you once received. All submissions received by the Department during the exhibition can be viewed on the Department's website at <https://www.planningportal.nsw.gov.au/major-projects/projects/mod-2-project-layout-changes>.

You are requested to prepare a written response to the full range of matters and recommendations raised in the public submissions and agency advice by **Tuesday 7 June 2022**. The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines (2021)*. The *Preparing a Submissions Report Guideline* forms part of the SSD Guidelines (Appendix C).

Please lodge your response by progressing the application on the major projects planning portal <https://majorprojects.planningportal.nsw.gov.au/>.

If you have any questions, please contact Andy Nixey, who can be contacted on 9274 6379 or at [andy.nixey@planning.nsw.gov.au](mailto:andy.nixey@planning.nsw.gov.au).

Yours sincerely

Nicole Brewer  
Director  
Energy Assessments

**as delegate for the Planning Secretary**
