Dear Mr Morrall

WestConnex – M4-M5 Link-Mod-7 (SSI-7485-Mod-7)
Response to Submissions and Agency Advice

The exhibition of the modification report for the above proposal ended on 31 May 2022. All submissions and agency advice received during the exhibition period are now available on the Department's major projects website at: www.planningportal.nsw.gov.au/major-projects/projects.

The Department requests that you provide a Submissions Report that addresses all the issues identified in the submissions from members of the public, interest groups and local government council, by 4 July 2022. The Department strongly encourages you to consult with Inner West Council during the preparation of your response to their advice.

Should components of the proposal be amended to improve the design of the proposal, respond to issues raised in submissions or agency advice, or reduce the impacts of the project, Transport for NSW must outline these changes to the proposal in an Amendment Report.

The issues raised in submissions and agency advice must be adequately addressed otherwise the Department may request a further response from Transport for NSW.

If you have any questions, please contact Bethany Lane on 9585 6775 or via email at bethany.lane@dpie.nsw.gov.au.

Yours sincerely

Glenn Snow
Director
