Subject: Response to Submissions

Dear Mr Hammond

The exhibition of the development application and environmental impact statement (EIS) for the Albion Park Quarry Stage 7 Extension ended on 16 June 2022.

We have placed all submissions on the NSW planning portal at www.planningportal.nsw.gov.au/major-projects/projects.

We now require a written response to issues raised in the submissions, as required under section 82(2) of the Environmental Planning and Assessment Regulation 2000.

The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines including Appendix C - Preparing a Submissions Report*.

We also require a response to the issues raised by agencies in their advice. This response may be incorporated into the submissions report. The department expects to receive further agency advice and will provide you with these as they are received.

Please lodge your submissions report by 18 August 2022 via the NSW planning portal <https://majorprojects.planningportal.nsw.gov.au/>. If you are unable to prepare a suitable response by this date, please advise the department.

Note that the time between the date of this letter and the date the Planning Secretary receives your response is not included in the 'assessment period' under section 113(7) of the Environmental Planning and Assessment Regulation 2000.

If you have any questions, please contact Allison Sharp on 02 4345 4403 or via email at Allison.Sharp@planning.nsw.gov.au.

Yours sincerely,
