Dear Sir/Madam,

DEMOLITION AND CONSTRUCTION OF A MULTI-STORY CARPARK AT WESTMEAD HOSPITAL PRECINCT, CORNER OF DARCY ROAD & INSTITUTE ROAD IN WESTMEAD

Reference is made to the Department of Planning's correspondence dated 10 December 2015 with regard to the abovementioned Environmental Assessment, which was referred to Roads and Maritime Services (Roads and Maritime) in accordance with Clause 104 and Column 2 of Schedule 3 of *State Environmental Planning Policy (Infrastructure) 2007*.

Roads and Maritime has reviewed the Environmental Assessment and advises that the issues that were of concern raised for inclusion in the Director General's Requirements have generally been adequately addressed. However, Roads and Maritime requires the Raw SIDRA 6 modelling files for review. In this regard, Roads and Maritime requires pre development modelling files and post development modelling files for assessment.

Upon receipt of these files Roads and Maritime would review and provide a response accordingly.

Any further enquiries in relation to this development application can be directed to Ahsanul Amin on 02-8849 2413 or development.sydney@rms.nsw.gov.au.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Laura Van Putten'.
